## Tourist Information

---

- <http://www.tinok.de/>,  
Tourismus zwischen den Meeren e.V. Schiffbrückenplatz 17, 24768 Rendsburg

- summer cottages, rooms in and around Rendsburg

Please contact via email the Tourist Info: [info@tinok.de](mailto:info@tinok.de) or [reservierung@tinok.de](mailto:reservierung@tinok.de)

Please ask for (the cheapest) possibility to host students in an apartment. More than 4 persons in one apartment is difficult. They also have families with guest rooms (35 Euros), this is a good option for one student.

Please write in your mail your name and your address. You should also write the location. Directly Rendsburg or maybe a suburb which I can tell you.

Another option is the online booking, but it is more difficult to use:

The student can ask the tourist info to get an apartment in Rendsburg. They can look online or send them a mail. Where is written online booking on the homepage they can go to the database. They could look for an apartment in Rendsburg, Büdelsdorf, Westerröfeld, Osterröfeld or Fockbek.

From there it should be possible to go by bike to the company with maximum 6km. Or there will be city busses, a monthly ticket 40 Euros, but some areas are bad connected and not so early and late in the day. Our school adress is BBZ am Nord-Ostsee-Kanal, Herrenstr. 30-32, 24768 Rendsburg.

On the webpage tino.de they can search online on the left site of the page for a apartment. Later they can define on another page also the city or village next to Rendsburg
